subject: Invitation to Meeting on November 7 Regarding the Sustainability of Your Home

[Salutation],

In April and July 2024, you received a letter from us informing you that we will be making your home more sustainable between 2025 and 2028.

We can now confirm that the contractor carrying out the work will be Bouwgroep Dijkstra Draisma (BGDD). We also know which homes we plan to start with. Your home is one of the 98 homes that we will begin to make more sustainable.

Therefore, we would like to invite you to a meeting on Thursday, November 7. In this letter, you can read more about the meeting and what to expect.

### **Meeting Invitation**

Date: November 7, 2024

Time: 4:30 PM to 6:00 PM / 7:00 PM to 8:30 PM

Location: Neighborhood Center De Componist, Paganinilaan 15, Assen

Are you unable to attend at this time? Please contact Margriet Broekema at 0592 400 100.

During the meeting, we will provide more information about:

- What we plan to do in your home;
- The inspections and preparatory work;
- When we expect to start the work;
- The next steps after this meeting.

Employees from BGDD and colleagues from Actium will be present to answer your questions.

### **After the meeting, we will visit your home**

Jolanda Wijnsma and Erwin Rolfes from BGDD will visit your home soon to conduct a technical inspection. Once technical inspections have been completed for all 98 homes, the work will be further developed, and we will create a renovation proposal. We will discuss the renovation proposal with you during a second meeting.

After the meeting, you can schedule an appointment with Jolanda Wijnsma (Resident Coordinator, Bouwgroep Dijkstra Draisma) for the technical inspection of your home.
